Dear Wayne,

Enclosed is McEachran's refusal to let me have copies of the pictures and my reply, in confidence.

I assure you that I believe I can find exculpatory evidence in them.

I hope they do not now disappear.

And that I can get copies. I really must study them.

One thing that would be helpful would be copies of the paper, all editions if they remade, the two mornings after the crime and, if there was a Sunday special, of that treatment. If you do not have time for this, please phone Ted Glenn, a student, whose home phone is 398-7204 and ask him if he can find time to do this for me at the library. He will, if he knows, I am sure. He is a fine, concerned young man, a graduate student in history, and he was kind enough to drive me around several days.

If you know anyone who took pictures and has negatives, or if you know any of the TV photogs who knows what he shot or has pictures, I sure would welcome any.

Thanks, much.

Sincerely,

Harold Weisberg
